

SECURITY WINDOW HANDLE

Offset, flush-button window handle for use with Avantis espag window locks.

The StyleX™ high-security offset window handle combines sleek ergonomic design, with premium heavy-duty materials, to create a robust yet stylish handle that is built to last.

FEATURES

- Available in Multiple Colours and Finishes, complete with colour matched screw cap for a coordinated finish.
- Manufactured from a high performance Zinc Alloy or Aluminium construction.
- Compatible with all Espag window locks, with 43mm fixing centres.
- Left or right handed versions available, with multiple clip-in spindle packs (10-55mm).
- Streamlined offset design, with an integral flush button for minimal visual impact.
- Integrated 90° stop to prevent gearbox over-stressing.
- Greater leverage and ease of operation with the handle's long lever, and ergonomically designed flush button and finger grips.
- Enhanced protection from brute-force attacks, due to robust metal sprung latching wedge.
- Key deadlocking for security - the key clicks into place when inserted and will remain in place when operating the lever.
- Endurance tested to over 50,000 cycles
- Salt Spray tested up to 480 hrs.
